Professionalism will be practiced throughout the duration of our shoot, the editing process, the delivery of content, and through the duration of this contract agreement. If at any time you feel uncomfortable or unsafe, it is your responsibility to voice your concerns. This contract was created to help with that, but you are ultimately responsible for your choices. If you are not able to voice your needs, I request that you bring an advocate to the shoot. Advocate's contact info:

Please do not partake of drugs, alcohol or mood enhancers before or during the shoot. These mind altering substances will not be provided. This is to ensure everyone is present and making conscious decisions each step of the way. Thank you for respecting this policy.

All sessions with partial or full nudity will require a second person present at all times. If they become unavailable for any reason the shoot will need to be rescheduled.
